Daniëlle Gardin - ACI. President

Living in Belgium and member of Agora Belgium since 2003 after having served in LC and LCI for more than 15 years.

I proved my skills in Agora as being founder treasurer of Agora Club 5 Bruges, founder president of Agora Club 6 Roeselare-Houtland.

I was National President of AC. Belgium 2008-2009 and International treasurer 2007-2008.

I always work out of the heart – and in the best interest of our association.

This year my motto is “ Together we are ONE “

By this motto I want to make clear that we can only be respected as an association if we are working together in respect !

Working together on a local, national and international level – good communication – to be open minded – exchange of ideas and thoughts between the different countries and associations. All of this in respect for the individual persons.

I encourage the working side by side with Tangent Clubs as we are all Past Circlers and we have to continue the friendship we've once experienced in Ladies' Circle.

I really hope that one day Agora Club International will become the platform were all Past Circlers, Tangent & Agora members and all women having the same goals and ideas stand together internationally.

It is so important that we realise that only “ Together we are ONE “

Small minds discuss people

Average minds discuss events

Great minds discuss ideas
