## Assistance For Kelebogile Completed

THEN

NOW

Before

During

After

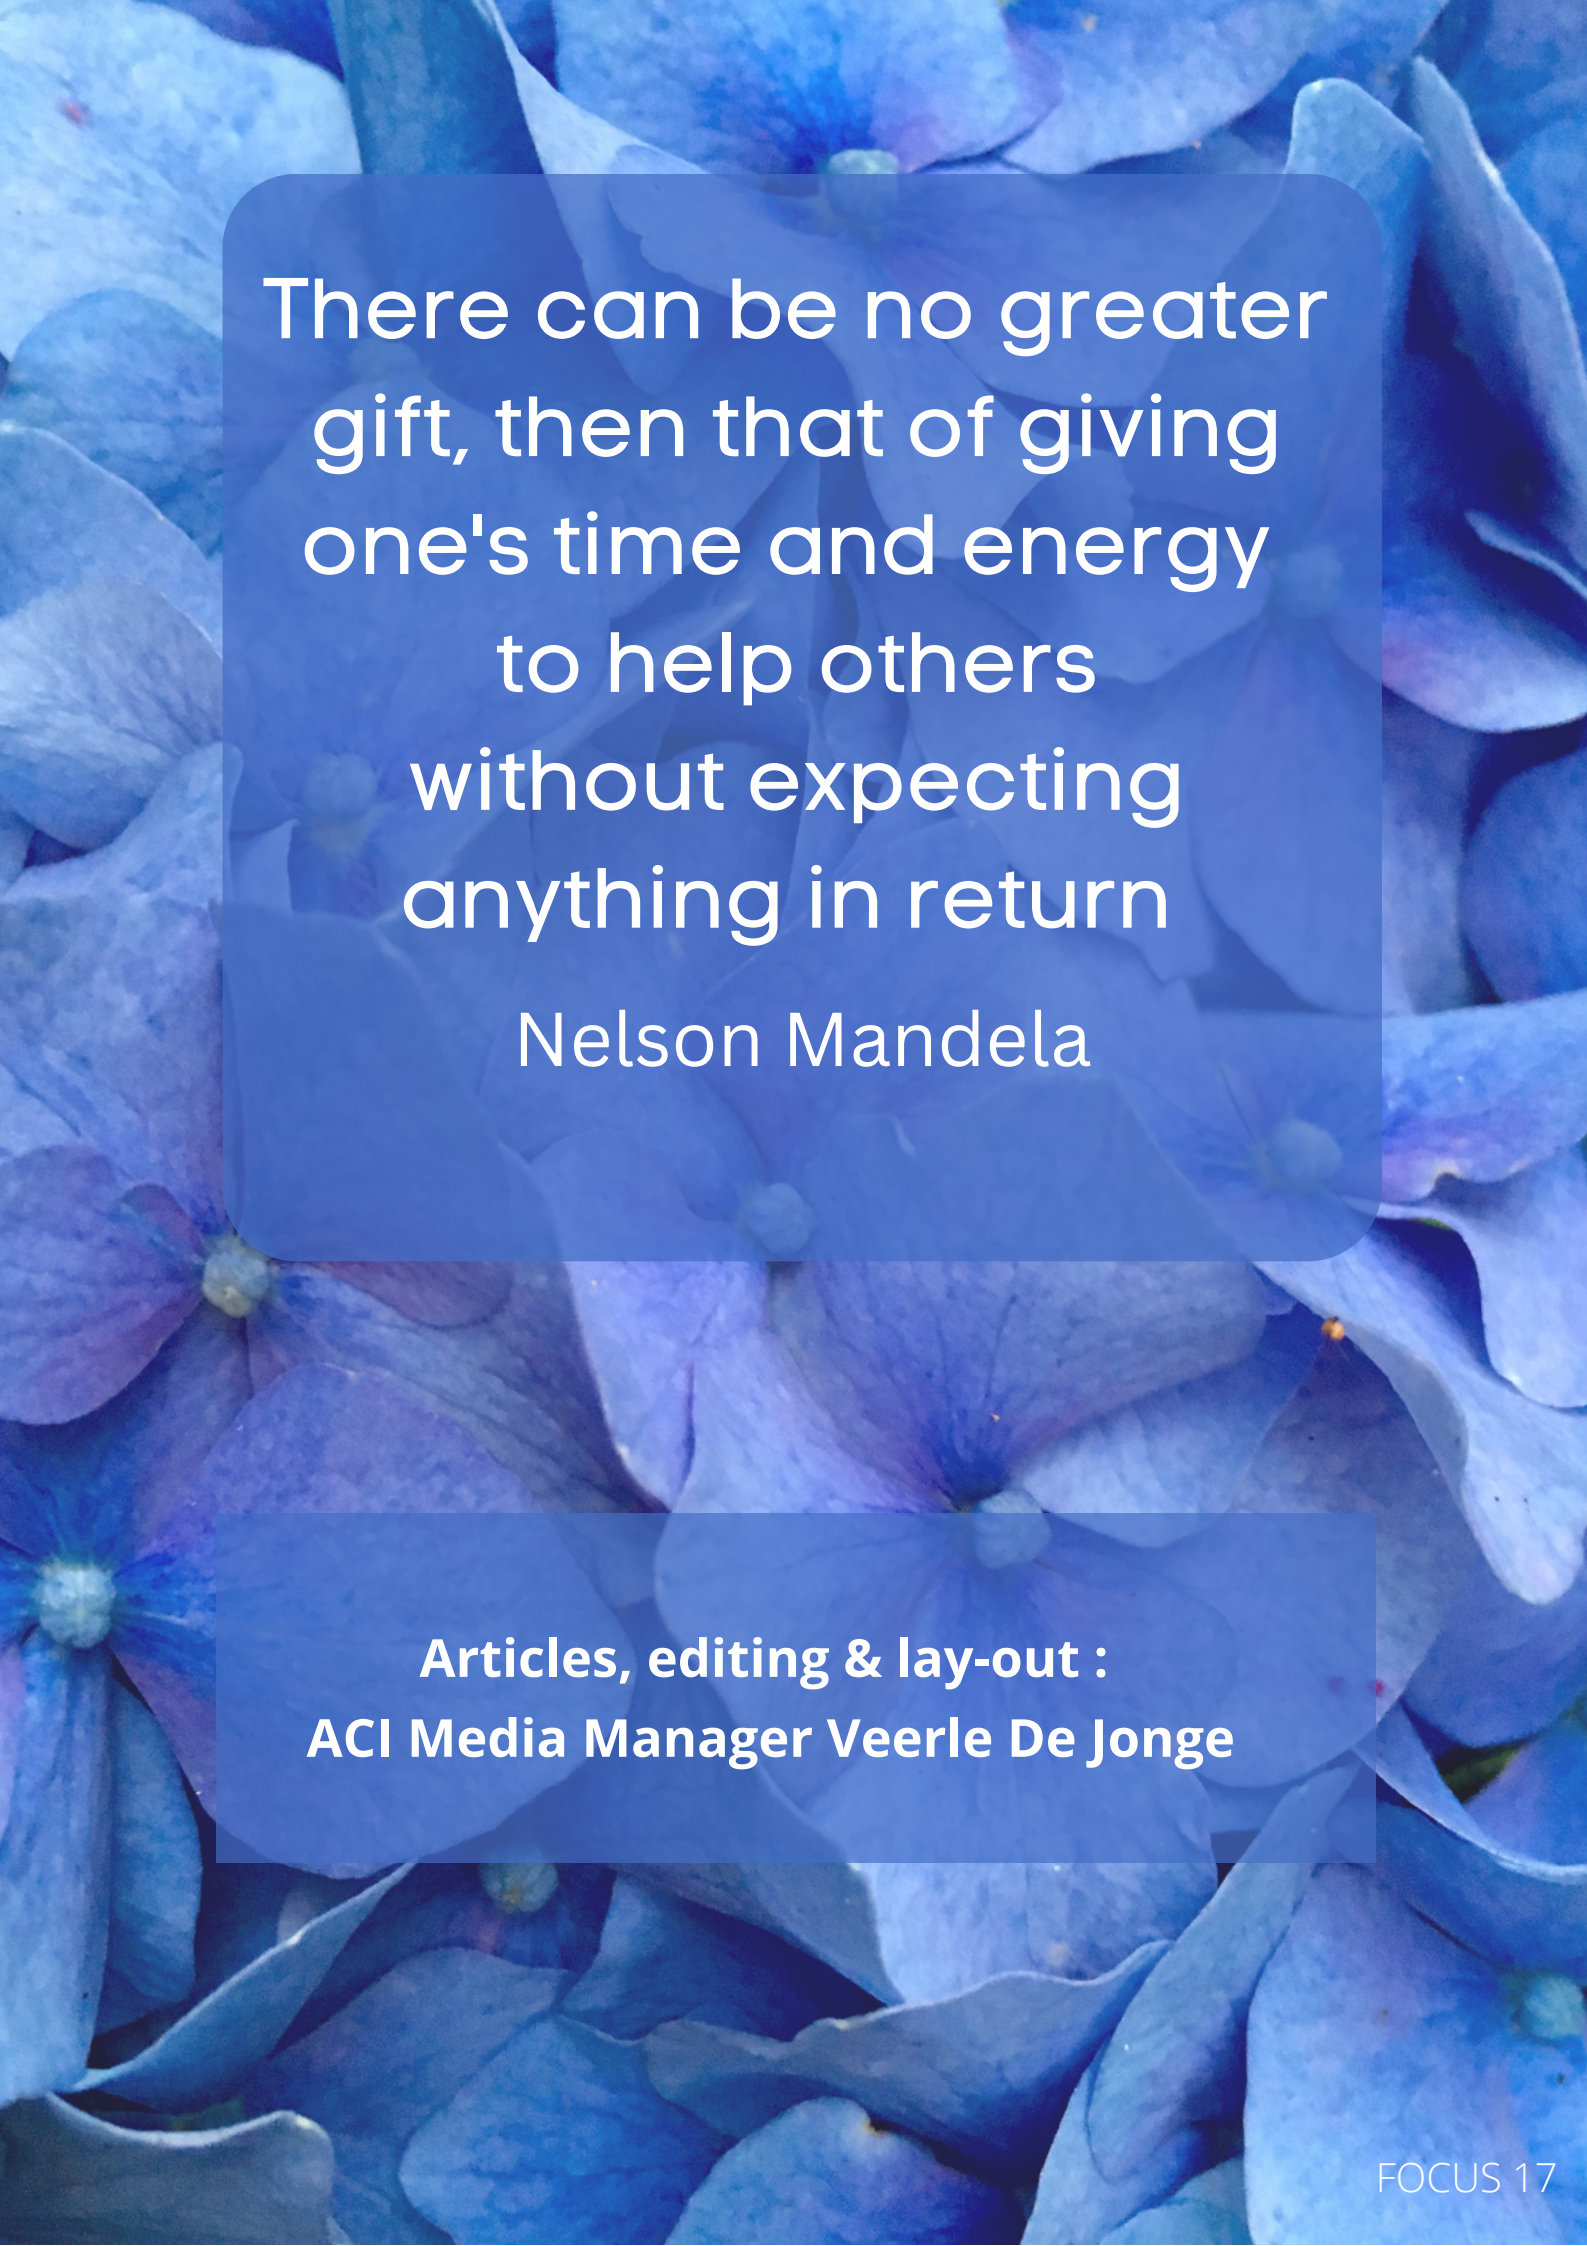

Agora Club Botswana would like to thank everyone who contributed to our project "Assistance for Kelebogile". Each and every donation and contribution made it possible for Kelebogile to receive her medical operations and she can now eat well, walk un-assisted and has an improved quality of life.

Thank you to everyone who donated in kind, as individuals, as corporates or just by attending our monthly walks. Together we made a difference.

*Awesome!*

A beautiful life-changing project by Agora Club Botswana! Bravo ladies!

There can be no greater  
gift, then that of giving  
one's time and energy  
to help others  
without expecting  
anything in return
