Dear ladies, dear friends,

This month in the 6th FOCUS, we are happy to announce the re-introduction of our Agora ISP month under the hashtag

#MAYISPMONTH

Have a look how you can join as from page 4. Maybe you can also get **cute ideas** from your fellow members, on what they organize for charity under the chapter "Agora's big heart for service"!

NEW!

Furthermore - like each month- we again give a voice to our countries with the stories you send us.

And we have a new item! **"Special Stories**" where we highlight extraordinary stories that touch.

Dear Presidents, stimulate your members to read FOCUS each month. It could incite them to new and fresh ideas, and moreover it can make them **feel connected to clubs in other countries**, and make them feel that they are part of something "bigger"!

Now, sit back and relax, enjoy the read and let's plan ahead for the second half of our Agora Club International year!

Lots of love,

Veerle De Jonge,

your Social Media Manager/FOCUS writer © Mail to: so-me@agoraclubinternational.com

FOCUS ONLA Arevived concepts

As Agora members, clubs and countries we do not only have responsabilities towards our local and national Service Projects:

Every 2 years the councillors from all our AC Countries also vote an INTERNATIONAL SERVICE PROJECT (ISP), which needs our support too!

To promote this, a concept from the past has been brought to life again : MAY ISP MONTH

Organise a (fun) activity with your club, to help raise money for the ISP

A sandwichmeeting
A club raffle
An afternoon tea
An open club meeting with speaker
A sponsored biking tour
a garage sale...
etc etc
The sky is the limit!

Use the hashtag
#mayispmonth
for your events!

#mayispmonth already started in
Agora Club The Netherlands,
where National Treasurer Marian asked the members
to donate 1€ per member for the ISP
...result?

They are at 12 starter-kits already!

Well done dear ladies!

SYLTPERLEN SANDRA EILERS REPORTS IN THE SUMMER OF 2020 WE FOUNDED THE FIRST SIDE BY SIDE CLUB FOR MEMBERS OF LC, ACT, AND TC ON THE NORTH SEA ISLAND OF SYLT - THE SYLTPERLEN

Unfortunately, there is no club there yet, so the first Flying Circle with a lot of ladies in holiday mood was created.

Every lady is welcomed by a lady from another club, with their feet in the water and a shared drink. There is even a pin. There are now 50 Syltperlen from LC and ACT Germany.

In addition to having fun, two charity projects on the island that benefit children with cancer who are recovering there have already been supported

Sandra and Kirsten from ACT 56 Lüneburg created a calendar and were able to donate 1000 Euros from the sales.

The tablers are very envious of us and like to come to our meetings on the beach, where we celebrate friendship.

MOIN!

MOIN: TYPICAL GREETING IN NORTHERN GERMANY

Syltperlen can be followed on Facebook and Instagram.

FEW WORDS ABOUT US....

WE ESTABLISHED THE FIRST GROUP OF AGORA ISRAEL IN 2011, AND TODAY WE ALREADY HAVE 4 DIFFERENT GROUPS OPERATING THROUGHOUT THE

school - a pre-military preparatory school for social leadership, aimed

2. Porter house Club - The club's aim is to empower underprivileged women from all Jewish and Arab sectors. The center provides tools to women so that they can move forward in their life. Those tools include reading and writing lessons, languages lessons, etc. Our role is to provide leisure activities at the club premises.

3. levehad (One Heart) Club – Club for individuals aged 50-60 who lack both a social framework and family background. We come once a month and organize a fun activity followed by a dinner.

4. A warm home for youth- a warm home for children from low socio-economic families, who come to the place after school in order to receive a hot meal and get help with their homework. Wecome to the place once a week.

AC Madagascar

Familiar faces. Of these women of a certain age, for OUR annual meeting in this new year 2023. To bring them smiles, wellbeing and benefits.

Donations that seem small to us but, according to the expression in Madagascar, "it is the heart that offers them that matters".

HONOR to these Women, our Elders.

The commitment our Agora members and clubs show towards the communities they live in is amazing.

Thousands of Euro's are raised every month.

We are happy to give these many events the spotlight they deserve,

...and maybe give you and your Club some ideas to organise a charity event too?

On the following pages you will find the posts made for social media (ACI facebook group and ACI Instagram) on the many "Agora's big heart for service" projects around our Agora world.

Not all our members are on facebook, so I am happy to bring these to everyone's attention

Did your club organise a charity event too?

Don't hesitate to send me some pictures:

This month:

- A laptop for Mowgli
- An awarded member

"A LAPTOP FOR MOWGLI"

During their stay in Madagascar, Mihaela and her husband Petru visited 2 local schools.

During the pandemic which lasted 3 years in Madagascar (due to the poor health system), the children had their lessons on the radio (!) – since they were not in possession of computers or laptops.

Petru and Mihaela left their laptops at the schools, and because in one of the schools there was no power, Petru bought a panel, a battery and an inverter and showed them how to assemble a small solar system, so they would have their own electricity for the laptops!

Now they started a campaign: "A LAPTOP FOR MOWGLI": look in your offices, attics, garages, etc for old laptops and bring them to the ACI Conference in Brasov Romania. Petru and his team will make sure the laptops work, and will send them to schools in need, through the Agora network.

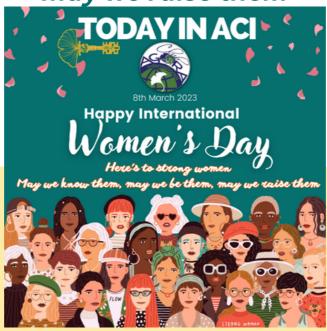

Thank you Mihaela and Petru for your immense commitment, humanity and drive, this project really touches the heart!

We are sure many ladies will bring their old laptops to Brasov!

FOCUS 22

On Women's day, we posted this on our Social media platforms :

Strong women, may we know them, may we be them, may we raise them

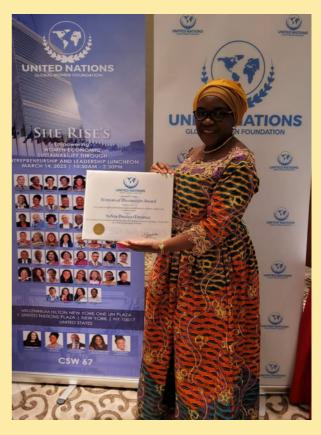

It goes without saying that we know many strong Agora women, but this month, one of our strong women gets a special mention :

WOMAN OF DISTINCTION AWARD

We are very proud of our Sylvia B
Mwansa, member of AGORA Club
Zambia, who has received the
Woman of Distinction award by
the United Nations Global Women
Foundation.

Bravo Sylvia, we are so proud of you! Continue your work, continue to radiate and shine!

FOCUS ON... Our ACI Boardmembers

As wonderful Agora Ambassadors, our ACI boardmembers dedicate their time and energy to join Charters, Agora meetings, boardmeetings and RTF events around the globe

They work hard to keep ACI running, learn form the past and plan for the future.

Take some time to read about their work for Agora in the next chapter!

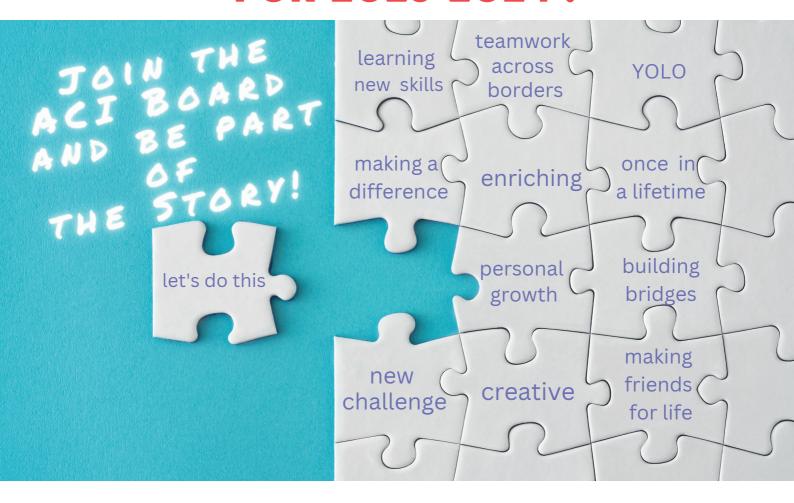

Oh yes, the ACI Board is still "zooming" away for their Boardmeetings!

And an important big topic

WE ARE LOOKING FOR AN ACI VICE PRESIDENT AND AN ACI SECRETARY FOR 2023-2024!

ARE YOU THE ONE WHO WILL COMPLETE THE PUZZLE?

Interested? Questions? More info? Contact any of us at the ACI Board. We'll be happy to help!
