María Erla,

ACI Secretary 2017-2019

# Anna Tabone ACI President

What a whirlwind few months these have been...from packing to relocate from Oslo to the Philippines, to flying to Torquay for the Tangent GB & I and 41ers AGM, then off to Malta to bid our farewells. From there flew to Bologna, where Paolo and Letizia very kindly drove us to

Ancona to celebrate 41 Club Italia's anniversary, as well as participating at the inauguration of the Multi Functional building in Arquata del Tronto, a project proudly carried out by the 4 clubs 1 vision in Italy. Seeing the area that was devastated by the earthquake was very moving, still so much destruction in the area.

After that it was a trip to Brussels for our Board Meeting and preparation for our first ACI Forum. Besides the ACI Forum, there was of course the AGM's 41 Club International and Tangent Club International. On my return to Oslo, all bags are packed and 2 days later we left to the Philippines where we found a place to call home for the next year or so.

After 3 days in our new home, I flew to Zimbabwe to charter a new Agora Club and then on my way to charter Agora Club Luxembourg,

I stopped in Malta to see our first ever grandchild and family. I am just sorry that I missed our Malta anniversary this month – but I guess I cannot be everywhere in the physical sense, so my virtual greetings had to do instead...

That was the unofficial hurricane ANNA!

But I am still smiling, and I wouldn't have missed this madness for anything in the world. We love being part of the Round Table family. I was not the only one doing the flying around – Chris our VP joined the last EFTW mission in Romania, led by Veerle and well organized by the Romanian ladies, while Isa went to the UK for the Charter of Leigh on Sea, and Maria Erla went to the charter of yet another club in Iceland. Well done Iceland. Both Chris and Isa joined me in Luxembourg to welcome the latest member.

More delights in the coming months with the Round Table World International Meeting in Brasov, Romania, and the much awaited 60<sup>th</sup> anniversary Ladies Circle International AGM in Rotterdam. In both events there are more than a 1000 participants.

This will be the run up of our most awaited event of the year – and that will be our AGM in Marrakech in October 2019 - if you haven't yet booked, please visit [www.agoraclubinternational.com](http://www.agoraclubinternational.com) where there is a link to the AGM programme where you can also register.

Since our last NL, we had our 2<sup>nd</sup> physical Board Meeting, and were home hosted by our VP Chris, in her beautiful home in Genk, Belgium. We were spoilt silly by her and husband Martin who is also an amazing cook. It must be something special that the Belgian men have as we also were treated to great cooking by Yvonne's husband Jos last year during our Board Meeting before the AGM in Gent.....not quite the norm where I come from! We also enjoyed meeting some of the Agora Belgian ladies, some of which drove for hours to be with us – thank you so much.

We had much to plan during this BM as we had our first ACI Forum to organize, and we wanted it to be exactly that a Forum with interaction from all the participants. This was attended by 40 women representing 9 countries, and it was indeed a great success. The participants worked in groups on specific topics and a representative of the group gave a short presentation of what they saw as a way forward, which will be discussed during the CM. (If anyone wants to read the minutes, we have forwarded them to the National Presidents to share with you and discuss the topics amongst you.)

This showed how a meeting halfway through the year, was healthy and provided everyone the opportunity to put forward their ideas.

This was also a great place to meet all the 5 clubs in our Round Table family. Greetings were personally delivered by RTI VP Sebastian, 41 Club Int. President and VP, Ulrich and Luc, Tangent Club Int. President and VP, Paula and Nina and LCI President and VP Kenza and Alex... now that is what I call an amazing family gathering!

Thank you all for making this possible, with a special thanks to Didier who organized the weekend very well. We look forward to this being an annual event. Next year it will be in the beautiful city of Verona in Italy, the weekend of 4 – 7 June 2020.

Before I close off, I would like to wish the new National Boards a great Agora year, and a big welcome to our new associate members Zimbabwe and Luxembourg.

I would like to thank the International Board members Chris, Isa, Maria Erla and Vandana for their great support, especially in these last weeks – you can imagine the challenge for us all to have a skype call with Seattle being -7 GMT, Iceland – 0 GMT, France and Belgium +2 GMT and I am +8 GMT – but we are managing well. Thank you also to our weblady Tone.

Have a great summer, and if you haven't booked for the ACI AGM in Marrakech – don't wait too long... its going to be a fabulous reunion amongst friends from all over.

Lots of love xx

Anna

# EFTW mission Transilvania Romania

## May 6-9

I'm so grateful that I could join the last EFTW mission to Transilvania Romania from May 6-9 together with Veerle de Jonge, Chris Helsen and Mirela Elena. It truly was a fantastic mission. Thanks to Mihaela Cracana, who was our host, and her club AC2 Doi Brasov we were able to hand out a lot of glasses. ( to mostly elderly people). This mission was different than previous missions because instead of handing out adjustable glasses we now gave glasses with a fixed dioptry and frame. These glasses came in all different kind of dioptries and frames.

Since this was the last mission of EFTW, the adjustable glasses left over from all previous missions were given to MCC as a donation. Medical Checks for Children ( MCC) is an organization that gives basic medical care to children in a lot of poor countries. You can find more information on <http://medicalchecksforchildren.org>.

My club, AC8 Voorne Putten of the Netherlands, will buy all the glasses that remained from the mission in Romania. Half the amount of these glasses will go to a project in Bonaire and the other half will also be donated to MCC. So, after all the missions of EFTW all the glasses are being used!

After the mission Veerle and her husband Dirk, Chris and I were honored to join the AGM of AC2 Doi Brasov where we had a lovely evening with good friends, lovely food and Romanian dances.

The mission was a great experience!!

## Mission Moldova and Transilvania

Dear friends, first of all, on behalf of Agora Club 2 Brasov thank you very much again for your generosity and support to made possible to organize such an important service project in Romania again.

Of course every mission organized by Eyes For the World International Service Project has it's particularities but this one was a real challenge.

In side-by-side spirit RT1 Romania helped us to buy the glasses because the adjustable ones weren't more available and we organized the mission in three consecutive days in 6,7 and 8 May 2019. **Veerle de Jonge, Chris Helsen, Carina de Bruijne and Mirela Luchian** did a very good team with **Lidia Stanciu, Gabi Abagiu, Angela Micu, Elena Rosu** and ...me, of course....and also Dirk Podevin and Petru Cracana on same side...

**First day** we went in the kingdom of faaar away in East, in Moldova region, village Nicoresti, county Galati,. Is a part of our country in the middle of nowhere, where from almost all the young have gone to work and live in cities and mainly in western Europe. So in the village remained just poor and helpless old people and just a few children that go to school with parallel teaching. The priest Radu Toma, and the two teachers Mihaita and Marinela Golea helped us.

We handled 87 glasses and we has identified 11 children that need medical help for their eyes.

The **second day** we went in Transylvania, 300 km away, in Rasnov, the scanning took place in the school with help from our friend Roxana Dobre from Association Sfanta Maria Cristian, who helped us last year to. We scanned children from the entire school and handed 57 glasses to old people who expected us in front of the school two hours and we identified 15 children with view problems.

The **third day** we were expected in Valcele, county Covasna by the priest Vasile Tamas and the vice mayor Cucu Nicolaie who organized a campaign through the oldest inhabitants of the village. We handed 71 glasses and we identified 7 people who need special eye care.

Every day we had to adapt us to every new situation found on the battlefield. One day somebody bring his paralyzed wife with a horse cart because she could just watch TV and read but her eyes didn' help her anymore and they could not afford to buy glasses.

Another case asked us to go into their house to see what we can do for a semi-paralyzed man who was programed to an eye operation but they could not afford 200 euro to do it...

All the people identified with eye damage that could not be helped with our glasses will be consulted by a specialist ophthalmologist or optometrist and will receive glasses or treatment under prescripior with your help. Thank you again.

Of course, such an adventure comes to an end with a special gala dinner that ended the year when I have been president of Agora Club 2 Brasov.

Ladies that attend the EFTW mission Veerle, Chriss from Belgium, Carina from the Nederlanden honored with their presence our AGM.

And we lived happy ever after.....

Mihaela Cracana

# Arquata del Tronto - Italy

On Sunday 14th April 2019, a multipurpose centre has been inaugurated in Arquata del Tronto, a provincial town near Ascoli Piceno that was hit by the earthquakes in 2016 and in 2017. This center which can contain 80 people, is suitable for events, aggregative moments and meetings and can meet the needs of the local community.

This project was financed by the Italian National Association of the Alpine troops and the contributions of the Four Clubs One Vision, being Agora Italy part of them.

Worthy of mention, AC International that contributed with a sum of money to the realization of this project.

The IP Anna Tabone, the Italian President Cristina Calgaro, the Italian PP Letizia Iulli together with some members of Italian clubs attended the opening ceremony, very touching and involving.

# Charter AC Luxembourg

... finally ... AC Luxembourg charts Agora Club 1

Luxembourg, this small country in the heart of Europe – ladies with a very big heart and the right amount of humor, who do not take themselves too seriously and know that it is important how much life you put into each day - this is how I had the great pleasure to get to know them.

And this is why I have returned to Luxembourg at least once per year - ever since my days as president of LC Germany in 2008. For the national AGMs, for the LCI MTMs or just to visit friends made through Ladies' Circle.

The ladies, who had to leave Ladies Circle Luxembourg over time were always there – to meet, to celebrate, to party.

And finally there was the great news: AC Luxembourg will be chartered!

What a joy this was for Claudia from my club TC 27 Hannover – my most treasured travel companion - and myself! It is a great honor for ACT Germany and TC 27 Hannover to be their godmothers. The German delegation then consisted of Karen von Koschitzky, president ACT Germany, Elisabeth Hiller, former ACI President and us.

And what a smashing party weekend it was!

Dancing in the streets, singing along to live music and some of the best wines of the country on one hand - cultural experiences in the various galleries or during the interesting city tour, elegant gala dinner on a roof top terrace and a charter meeting in the midst of historical street trams on the other hand. What a great mix of pleasures this weekend had to offer! Ladies from Belgium, France, the Netherlands, Rumania, Austria, Germany and Malta greeted this new country into the Agora International world. And, of course, the ACI board, represented by Isabelle, Anna and Chris.

Well, what can I say ... my next trip of Luxembourg is already planned 😊.

# Charter AC Zimbabwe

Agora Club Zimbabwe spent the better part of the 2018-2019 year preparing for the charter. One which saw the Agora Club establish a footprint in Zimbabwe for the first time.

The charter is our biggest milestone and greatest achievement so far. It was a pleasure to welcome our President, sister and friend Anna Tabone to preside over the charter and the gala dinner.

A big thank you to other sister friends including Ruth Hungwe for the support and guidance. Over the course of the year we have built a small but dedicated team of members who work tirelessly to achieve our goal of developing communities through service. In addition to the charter, we held a Christmas party for a children's home, treating them to a fair, where they had their faces painted, lunch and fair rides.

Clothes donated by ourselves and sisters from the international club were also distributed.

# Agora Club UK 3 Leigh-on Sea Malta International Godmother

Report by President Marie Chetcuti, Agora Club Malta  
Date : 20<sup>th</sup> May, 2019

---

It was an honour for Agora Club Malta to be asked to be the International Godmother for Agora Club UK 3 Leigh-on Sea.

Connie Deguara Caruana Gatto, Agora Club Malta's Vice President and myself, as National President were privileged to attend the Charter weekend of this new club on the 18<sup>th</sup> of May 2019. It was a short but exciting weekend as our dearest friends planned our stay to the full and were so eager and welcoming to show us the best of South-end and its surroundings.

Emma Aldridge, the new President for this Club was there waiting to greet us at the airport and took us to her home where we were later joined by our ACI IPP Isabelle Seguinot.

A number of Ladies opened up their homes to entertain us. These occasions gave us the opportunity to meet new friends and renew old friendships during this time. Other international ladies from Norway, Germany joined in and we shared some very good laughs and memories.

The Charter held on the Saturday evening of the 18<sup>th</sup> May 219, was a lovely evening surrounded by old and new friends with their families and guests. The Venue, dinner and entertainment were excellent.

During the evening, Funds were raised towards a great cause which is close to the Ladies' hearts and this was towards the Samaritans charity. All present were given a short talk by Bill Shirley on the good work that the Samaritans do for this cause.

The weekend was memorable and Agora Club Malta will retain the memories of this wonderful weekend and the great friendships which were made and renewed.

On behalf of Agora Club Malta, Connie and myself wish to officially give Emma, her Committee and members our heartiest congratulations and best wishes for a successful Club.

# Agora Iceland Club 7 Charter

Agora Club 7 of Iceland was chartered the 16<sup>th</sup> of May on a beautiful spring day. The members of Agora 1 had become so many that they were no longer able to accept more members. So a few former members of Ladies Circle 7 of Akureyri decided that it was time to take the plunge and start a new club. The day of the charter we all met up for drinks before getting a tour of a local store that carries mostly designer items by Icelandic artists. A few of us couldn't help but warm up our credit cards a little:)

After the tour we had dinner together at the restaurant at Hof culture house. The members of AC7 as well as members of their mother club AC1, members of clubs

in Reykjavík and the national board. It is always a festive occasion when new clubs are chartered and this time was no exception 8 ladies proudly accepted their pins and were welcomed by those present into our wonderful Agora family. This was the third club to be chartered into Agora Club Iceland this year. We can surely say that we are blossoming well, no longer "babies" but fully fledged teenagers 😊 We can't wait to see what's in store for us in the upcoming Agora year.

# AGM Iceland

The Icelandic AGM was held on May 17th and 18th in Akureyri. We had representatives from all clubs both at our councilors meeting and the AGM itself, including the newly chartered AC7.

The national board had proposed changes to rules and regulations that were for the most part accepted. For a young Agora country this is always a work in progress.

We also introduced our newly purchased flag which added color to our meeting. We were also proud to announce that our charity fund, only established last spring, already has almost 900 Euros! The clubs also have their own charity projects including Christmas gifts for homeless women, books for Icelandic women's prisons, Christmas in a shoebox as well as knitting for international projects.

Ása Jóhannsdóttir is our outgoing secretary and our IPP Guðrún Gunnarsdóttir is also leaving the board. They were both presented with ginkgo biloba necklaces as a thank you for all of their hard work. The incoming board is:

Stefanía Valgeirsdóttir VP

Guðbjörg Sigríður Snorradóttir President

Jónína Hafdís Kristjánsdóttir Secretary

Ingibjörg Sigurjónsdóttir Treasurerer

Herdís Anna Friðfinnsdóttir IPPAfter a weekend of fruitful discussions we had dinner with even more Agora ladies and their spouses. The national president of Old Tablers Iceland was also in attendance so we hade some side by side fun as well.

The members of Agora Club Iceland look forward too seeing you all in Marrakesh in October!

# AGM A Bavarian

On an unexpected cold day on the first weekend in May young Ladies' Circlers, young at heart Agora Club Tangent Ladies, Tablers, partners and friends from all over Germany were greeted with an exceptionally warm **welcome** in Munich. Ladies were dressed to the occasion of "Kir royal": Bavarian style in 'Dirndl' and 'Lederhosen" at a small brewery above the river Isar. Fabulous to see so many Ladies and Gents dressed in this fashion. Big hellos, hearty hugs and plenty of delicious beer to go with the roast.

The next day Ladies' Circle and Agora Club Tangent Germany held their separate meetings at the same venue. It is always a delight to meet up with our future Ladies and friends not yet ready to step across the age limit. The **start** is always held together with the 2 Presidents welcoming everyone and with **greetings** from Round Table, Old Tablers and foreign guests. This year, an inspiring Patron encouraged us to do more, to work together, to step forward as women, to enjoy the challenges and not to put ourselves down – something we as women tend to do too often.

The **meeting** of Agora Club Tangent Germany started at 10 a.m. President 2018-19, Linda Rodriguez-Sierra, started the conference and appointed Sabine Zange, former president of 2017-18, as conference leader. During the meeting she was holding everything perfectly under control and in line with protocol. Of the 42 Clubs in Germany , 34 are chartered and with 28 chartered clubs present to vote and 5 clubs in formation present as well as numerous floor members, the Board was delighted from the start. The Board's written report was posted with the invitation and now high-lighted by pictures and music, showing all what great experience and wonderful occasions one can encounter as a Board member. The Board was joined in the past year by 5 Ladies doing equally great jobs: The Shop-Lady, Karen, had again some new things to "shop – shop – shop"; e.g. a wine called "ladies in red" or a bright red power bank. IRO (Relations officer) Silke Schael couldn't be present but her report was presented by Vice-President Karen. PR-Lady Marion had delighted us with news in the print-media of Old Tablers Germany where we are allowed to edit 4 pages every three months. Web-Lady Dagmar has reorganised our website and internal web-pages as well as supported the Clubs in filling their own webpages. Members-Lady Monic we couldn't do without as she is our App-Master-mind, making our membership-data accessible where ever possible. Our numbers have increased again and will do in the future, 3 clubs thinking to go in formation in the north and south.

Nicole, treasurer, gave a wonderful, easy to understand report on our perfectly kept finances. 1.579 € were being paid out for service projects, later during the conference topped up by another 2.500 €. Secretary Sandra had a look into the reports of our clubs, adding up donations invested locally to more than 36.500 €! As there were only 2 minor proposals these were quickly done with. The agenda continued with a report on the Christmas parcel convoy (156.000 parcels distributed to Romania, Bulgaria, Moldavia and Ukraina in 1 week), a short report by Claudia, IPP, on the ACI-Forum in Brussels, a presentation of our next year's AGM destination, upcoming events and a short exchange on how acquisition of new members focussed on Ladies' Circlers is working in our clubs.

And then it was good bye for some of the Board: Claudia (IPP) and Sandra (secretary) stepping down as well as Karen (shop), Marion (PR) from the Advisory Board. With great enthusiasm the **new Board** was constituted: *Karen von Koschitzky (P)*, *Birgit Feyerherd (Vice)*, *Linda Rodriguez-Sierra (IPP)*, *Nicole Blaase (Treasurer)* and *Nina Köhler (Secretary)* again supported by five Ladies (Silke, Corinna, Dagmar, Eva, Monic). Karen's incoming speech high-lighted what we share and what we can achieve, if we work together within our Tablers & Ladies family. After years growing closer it is the first time ever, that all presidents share the same motto – "United – Side-by-Side"!

At the **Gala** the outgoing and incoming Board were presented to all 543 (!) people present. A wonderful evening, a big success, a wonderful end to another year of 'Friendship and service' and a great beginning for the newly elected!

Beste Grüße

Claudia

# AGM South Africa

Agora South Africa 11<sup>th</sup> AGM

"Coming together is a beginning, staying together is progress, and working together is success."

– Henry Ford

Agora Club South Africa came together on Saturday 25 May 2019, celebrating 11 years of fellowship and working together towards developing deep and meaningful friendships, united in service and tolerance.

This year our AGM was a special treat – IPP and Treasurer Beverly Patterson very kindly gifted us her holiday points which meant we got to spend the weekend at the Waterberg Game Park – a nature lover's paradise! We had some amazing visitors during the weekend which included bushbuck, warthog, zebra and some very naughty vervet monkeys.

The Strelitzia ladies were our gracious hosts this year and they certainly achieved their goal of making this a weekend to remember! A special highlight was the goodie bags – so much thought and love was put into them – especially the beautiful hand painted Agora teaspoon and handmade sun catchers –the Amarula girls were especially touched by the little bottle of Amarula liqueur – you girls rock!

We all arrived on Friday afternoon - just in time for 'meet and greet' sundowners on the deck after which we shared a jovial dinner – setting the tone for the rest of the weekend.

On the very chilly Saturday morning we climbed onto open game vehicles and were ferried up the mountain for an early breakfast on a magnificent deck overlooking the lodge followed by a game drive on the 450 hectare game park which accommodates Zebra, Giraffe, 10 species of Antelope and small game as well as 420 species of birds. The Game Ranger was very knowledgeable about the environment and fascinated us with interesting facts and anecdotes.

Back at the lodge, our meeting ran smoothly and then we all took some time out to relax – some of the more energetic went for a stroll on one of the many nature trails.

The evening Braai was a hit – as South Africans, we all love our ‘pap en sous’ which is one of those dishes which can be hit or miss – it was unanimously agreed that this one was a hit! Deeeeeeelicious! Thank you also to the only man in our midst for the weekend – Andrew – who very kindly helped braai the meat. The evening was super chilly but we all turned in for the night with a warm heart and renewed friendships.

As always, Sunday mornings bring mixed emotions – it's time to say goodbye for another year, but you are also eager to get home and start the week with renewed energy and motivation. After a scrumptious breakfast we all went our separate ways – looking forward to seeing each other again in 2020!

Thank you Bev and the Strelitzia lades for all your hard work– we all got to take home very special memories.

# 25th anniversary of Agora Club Groningen 1 in the Netherlands

In April it was 25 years ago that our club chartered as the first Agora Club in the Netherlands and that was celebrated with a great regional outing.

In an old time coach we hit the countryroads, bordered by yellow colza fields, heading north east for the historic town of Appingedam.

We started off with coffee and cake in the yacht-haven, where we boarded for a boatrip on the canals. We went underneath picturesque bridges and saw lovely houses, many of them listed monuments. Enjoying a picnic lunch, we admired the famous 'hanging kitchens'.

In the afternoon there was time for visits of the local museums.

One of them has a splendid silver collection.

In a fantastic art, antiques and deco gallery we shopped till we dropped.

A guided tour in the beautifully restored 12th century church was concluded in the bar opposite, for our first toast of the day.

Many would follow during the dinnerparty we had in a fine restaurant. There were speeches, sweet memories and pictures from the past 25 years.

It was great fun to spend the day together with most of the 21 members our club has right now. Praise for the organizing committee Jitty, Henriette and Ger, who are rounding off the so varied programme they managed as our board, these last two years!

Side by side – four clubs - 1 ice mission – @ the rink Spittal/Drau!

Club 41 Spittal invited to the traditional Austrian Curling Competition with friends from Agora Club, Ladies Circle and Round Table Spittal.

Our ladies – after a hard core training before – took part at that interesting match.

After the funny competition they enjoyed a wonderful evening with nice food and some drinks! So much fun!

## Agora side by side LC Spittal Carnival & party – February 2019

Lady Circle Spittal organised a carnival party - the slogan: „we are one!“ Due to the motto – „all for one, one for all“ our Agora ladies were dressed as „the musketeers“ at this evening. What a colourful party!

Lady Circle 5 Spittal was also part of the famous carnival parade at Spittal.

On board of the big truck was our Pastpresident Christine Wernitznig! She enjoyed the great fun with the shout „He-Lei“!

## Ball at Hall, RT 25 Tyrol, 15.02.2019

Our ladies visited the famous charity „Ball in Hall“ organised by Round Table 25 Tyrol. This ball exists for many years! After a very warm welcome by the mayor of the town they were part of a very interesting side by side meeting with Ladies Circle, Round Table and Club 41 Austria with the agreement of a memorandum of understanding: 4 clubs – one vision!

Very nice charity evening with friends!

## Present from Agora Romania for Sonja Trojer!

The ladies from Romania Agora Club Doi Brasov surprised with a big present!  
Mihaela Cracana organised bedclothes and towels with very beautiful fancywork on it with the names of: Sonja, Klaus, Theresia & Zerza's Fischzucht (fish farm)!  
Sonja and her family were deeply impressed! Many thanks to the Ladies of Romania!

## **Charity concert for the victims of the catastrophic floods in Carinthia!**

Castle Porcia, 11th April 2019 – What a successful evening!

The sold out main hall listened to the wonderful sound of music of the „Carinthian Flutes“!

Our Catherina – member of this ensemble – organised that great concert with her orchestra.

We flow away with pieces from Vivaldi, the Reinecken Ballade, Hungarian Phantasy & a Jazzwalz!

Beside we were supported by the artist Luca Mussnig and we had a good possibility to present Agora Club Spittal.
